

**Become a Sponsor of the  
Tehama County Friends of the Library  
*and help us support our public library!***

The Tehama County Friends of the Library is a non-profit organization that was formed to support our local library in its efforts to promote literacy and learning in our local communities. The organization raises monies through member sponsorships, donations and book sales which are used to provide some funds for new materials, new equipment as well as some library services and programs such as **ancestry.com**. Please consider joining us in supporting our wonderful libraries.
